MOSAIC OF DREAMS

Grenache Mourvèdre Syrah

The Mosaic Of Dreams is an endeavour to make a contemporary wine of structure and finesse, inspired by the landscape and traditions of the Southern Rhone. Three grapes, each with their own unique personalities, swaying together to the beat of our wild and rugged landscape.

The 2017 Mosaic Of Dreams opens with notes of intoxicating Middle Eastern spice and fresh raspberries. Fennel, which grows wild and free in our region, coyly slides forward to show itself.

Then you taste...

This is where the wine truly shows that it is the sum of all its parts. Broody dark fruits, dried strawberry and blood orange lead, giving way to sarsaparilla and charcuterie. Svelte tannins glide across the palate, conveying an abundance of intrigue...

Best served with braised beef cheek, ratatouille and a side of wanton abandon.
