KALEIDOSCOPE HORIZONS

Grenache Graciano Tempranillo

The Kaleidoscope Horizons references the multifaceted, colour-filled moments when the sun lays low over the horizons, illuminating the landscape. The colour spectrum, climate and landscape of McLaren Vale is not dissimilar to the sun-bleached, warm hills of the Iberian Peninsula that inspire this blend.

Our 2022 vintage boasts a bouquet of blackberry and blood plum with raspberry jube and coconut husk. Wafts of callistemon, eucalyptus and melaleuca weave ethereally into tea leaf and orange oil.

Lifted and bright across the palate with dusty tannin structure, the Kaleidoscope Horizons surprises with dark and earthy undertones, graphite and forest floor.

Fresh and endearing. Contemplated and sultry. A wine bound to stand the test of time, should you let it.

Time in tomb: 10+ years
